PROFILE:

Award-winning **Precision Machinist and Skills PEI Gold Medalist** with advanced technical training from Holland College, Canada. Expert in CNC milling and turning, manual lathe and mill operations, blueprint reading, and CAD/CAM programming (AutoCAD & SolidWorks). Complemented by a broad background spanning Python programming, AI-assisted workflows, cybersecurity fundamentals, business administration, customer service management, and data operations. Bilingual in Arabic and English. Committed to industrial safety, continuous learning, and delivering high-quality work across technical and operational environments.

EDUCATION:

Diploma in Precision Machining Technology

September 2024 – May 2025

Holland College · Prince Edward Island, Canada

- Specialised coursework: CNC Mill & Lathe Operations (I & II), Blueprint Reading (97%), Computer-Aided Design (99%), Machinist Trade Math (93%), CNC Fundamentals (90%), Cutting & Welding, Computer Essentials (85%).
- Recipient of the Skills PEI Gold Medal for outstanding technical performance and machining excellence.
- Cumulative GPA: 3.98 / 4.00.

University Coursework — Bachelor of Business Administration (BBA)

September 2023 – January 2024

University of Prince Edward Island · Charlottetown, Canada

- Coursework in Business Administration, management principles, finance, and organisational behaviour.

University Coursework — Engineering & Computer Science

September 2019 – January 2024

University of Prince Edward Island & Dalhousie University · Canada

- UPEI: Single Variable Calculus, Linear Algebra, Computer Science I, II & III.
- Dalhousie University: Computer Programming, Engineering Mathematics I, Introduction to Physics.

High School Diploma (American Program)

September 2016 – June 2019

Al-Nahda National Schools · Abu Dhabi, UAE

- Graduated with ~93% average. Distinction in Mathematics (92%), Chemistry (98%), Physics (95%), Computer Studies (96%), and Business Studies (96%).

CERTIFICATIONS:

- **Skills PEI Gold Medal** — Recognition for exceptional precision machining performance (Holland College, 2025)
- **WHMIS & OHS Certified** — Workplace Hazardous Materials Information System & Occupational Health and Safety (Holland College, 2024)
- **Standard First Aid with CPR-C / AED** — Lifesaving Society PEI (Valid until October 2027)
- **Basic Life Support (BLS) Provider** — JPS Training Centre / Jordan Paramedic Society, Amman (June 2023 – June 2025)
- **Empretec Certificate** — International Enterprise Development & Entrepreneurship, UNCTAD Programme, managed by Business Development Centre – BDC, Amman (June 2023)
- **IELTS Academic** — Overall Band Score 7.0 (C1 Level): Listening 8.0, Reading 7.0, Writing 6.0, Speaking 7.0 (April 2024)

SKILLS:

- **Machining & Manufacturing:** CNC Milling (setup & operation), Manual Lathe, Mill & Drill Press, Basic Welding, Injection Mold Production
- **CAD / CAM & Design:** AutoCAD (2D Drafting & Layout), SolidWorks (3D Modelling & Assembly), G-code Programming, Blueprint Reading & Technical Drawing
- **Precision & Quality Control:** Micrometers & Dial Indicators, Tolerance Analysis, Feeds & Speeds Optimisation, In-process Quality Checks
- **Programming & Software:** Python (scripting, automation, data handling), G-code, Computer Science Fundamentals (CS I, II & III), Command-Line Tools, MS Office
- **Cybersecurity:** Network Security Fundamentals, Cyber Threat Awareness, Secure Coding Practices, OS Security (Linux/Windows), OSINT Basics
- **Artificial Intelligence:** AI-Assisted Workflow Integration, Prompt Engineering, Machine Learning Concepts, Data Analysis & Interpretation, LLM Tools
- **Customer Service & Sales:** Suggestive & Complementary Selling, POS Systems, Cash Handling & Banking, Client Relations, Complaint Resolution
- **Operations & Administration:** Inventory Control, Stock Rotation, Data Entry & Records Management, Food Safety Compliance, Team Supervision & Scheduling
- **Safety & Compliance:** WHMIS Certified, OHS Certified (PEI), Industrial Shop Safety, CPR-C / First Aid, Food Safety & Hygiene Protocols
- **Communication:** Bilingual Arabic/English (IELTS 7.0, C1), Written & Verbal Communication, Customer Correspondence, Team Coordination

WORK EXPERIENCE:

CNC Machinist Trainee

March 2026 – April 2026

IDH-Sahab · Amman, Jordan

- Executed CNC machine operations for precision machining of metal components used in industrial mold production.
- Gained hands-on experience in injection mold manufacturing, including toolpath setup and maintenance procedures.
- Supported plastic injection molding production cycles, performing tool setup, quality inspections, and process documentation.

Supervisor / Freezer Manager

September 2023 – January 2026

M&M Food Market · Charlottetown, Canada

- Progressed from Meal Advisor to Supervisor, overseeing daily operations for a high-volume retail freezer department.
- Sold all products using complementary and suggestive selling techniques; consistently delivered exceptional customer experiences.
- Led and coordinated team operations, ensuring strict adherence to food safety, hygiene, and compliance protocols.
- Managed inventory control, stock rotation, and product merchandising to maintain peak freshness.
- Completed general banking procedures including bank deposits, POS cash handling, and financial reconciliation.
- Organised sampling programmes including cooking and promotion of food products.
- Facilitated sales promotions by preparing window signs, updating menu and price boards, and executing marketing policies.

Private Tutor — Mathematics & Machining

January 2025 – April 2025

Holland College · Summerside, Canada

- Delivered individualised instruction in technical mathematics, blueprint reading, and machining fundamentals to college-level students.
- Developed customised learning materials and exercises to reinforce CNC operation concepts and engineering calculations.

Sales Team Leader

June 2021 – November 2022

Blaze Pizza · Charlottetown, Canada

- Supervised front-of-house team, ensuring fast, courteous, and positive service aligned with company standards.
- Operated POS system, handled cash, coordinated food preparation, and maintained a clean dining environment.
- Prepared and assembled orders in line with quality and recipe standards.

Housekeeper*May 2022 – September 2023**Stanley Bridge Country Resorts · Stanley Bridge, Canada*

- Performed comprehensive housekeeping duties including cleaning, disinfecting, vacuuming, mopping, and laundry management.
- Ensured all cleaning requirements were fulfilled promptly and to employer standards; responded professionally to guest needs.
- Followed all workplace policies regarding privacy, client possessions, and end-of-shift equipment protocols.

Food Delivery Driver*July 2021 – January 2026**DoorDash · Charlottetown, Canada*

- Transported and delivered customer orders safely and on schedule, adhering to all traffic laws and company guidelines.
- Maintained strong customer satisfaction ratings through professionalism and accurate order fulfilment.
- Accepted payments, reviewed orders for accuracy before and after delivery, and resolved customer complaints.

Shopper & Delivery Associate*February 2021 – January 2026**Instacart · Charlottetown, Canada*

- Shopped grocery orders across multiple major retailers (Superstore, Walmart, Shoppers Drug Mart) and delivered to customer locations.
- Managed item replacements and substitutions using barcode scanning and app-based workflows.
- Maintained strong product knowledge and ensured correct expiry dates and item condition on all orders.

Harvest Worker*August 2023 – September 2023**Wyman's of PEI · West St. Peters, Canada*

- Operated line equipment and identified and removed unwanted plants from crop lines.
- Ensured safe and efficient freezing processes; monitored and maintained equipment throughout shift.
- Followed all safety regulations and supervisor instructions to meet production targets.

Data Entry & Administrative Clerk*August 2018 – February 2019**Business Development Centre (BDC) · Amman, Jordan*

- Maintained and updated customer and account databases, ensuring accuracy and data integrity.
- Verified, corrected, and purged records; performed database backups and protected confidential information.
- Resolved data deficiencies using standard procedures and contributed to administrative efficiency improvements.
- Maintained customer confidence by keeping all information strictly confidential.

VOLUNTEER WORK:

Event Organiser*March 2019 – April 2019**Schools & Corporate Events · Abu Dhabi, UAE*

- Volunteered as organiser for small and large community events held by schools and companies, including culture nights, seasonal celebrations, and institutional events.
- Coordinated logistics, guest management, and on-site operations to ensure smooth execution of each event.
